18VAC110-20-10 ET SEQ This meeting was a working meeting to begin drafting proposed amendments to the current regulations subsequent to the periodic review and NOIRA. The committee reviewed issues related to and began drafting amendments for Parts I , II, and III of the regulations. No motions were made at this meeting. It was determined that based on the relatively small number of issues reviewed, and due to the target date of December 12, 2007 for Board adoption of proposed rules, that the October 10, 2007 committee date should be set aside for the Regulation Committee to continue its work, and that there would not be time to hold a second committee meeting that day.

ADJOURN: The meeting adjourned at 4:30 p.m.

Elizabeth Scott Russell
Executive Director

Bobby Ison, Board Chairman
